

MULTIMEDIA PROGRAM WORKER VIOLENCE INTERVENTION PROJECT

East Metro Youth Services, a progressive Mental Health Centre in East Toronto, is inviting applications for the position of Multimedia Program Worker with the Violence Intervention Project. This position is an exciting opportunity to develop and coordinate an innovative and high-profile multimedia program with and for marginalized and diverse youth.

Responsibilities:

- develop multimedia projects with youth including videos, PSA's, music and website development
- recruit, train and supervise youth participants
- foster partnerships with community stakeholders– e.g. Boards of Education, police, youth serving organizations
- supervise college/university placement students, as required
- work alongside youth participants in the development of a multi-media social enterprise

Qualifications:

- Multimedia skills / certification – text, graphics, video, animation and sound
- Experience working with marginalized and diverse youth
- Excellent verbal and written communication skills
- Strong organizational, leadership and youth engagement skills.
- Ability to meet deadlines and to juggle multiple priorities
- Creativity, innovation and flexibility a must!

Position details: Full time position (35 hours per week); flexible hours required

In accordance with the agency's employment equity plan we are particularly interested in encouraging applicants from diverse ethno-racial backgrounds and/or from the gay and lesbian communities.

Application Deadline: *Aug 27, 2010,*

(Only those candidates to be interviewed will be contacted)

Please send resume and portfolio to:
